APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be **all counties** in the State of Oregon.

These standards shall also cover Clark, Skamania, Klickitat, Cowlitz, Wakiakum and the southern half of Pacific counties in the State of Washington under the terms and conditions of the reciprocal agreement.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b). Documentation must be provided for all minimum qualifications:

Age: 18

Education:	High school graduation/GED/Equivalent
Physical:	None
Testing:	None
Other:	None

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. Selection shall be "on the basis of qualifications alone". This means that apprentices are chosen in an open and competitive process from those applicants meeting the minimum qualifications for the trade solely on the basis of their qualifications compared to those of other applicants.
 - a. Examples of objective standards by which comparative qualifications may be determined are: school diplomas/transcripts or their equivalents such as a GED; occupation specific essential physical requirements; previous work experience.
 - b. To permit review, adequate records of the selection process will be kept and made available to the Council upon request. Included will be a summary sheet for each interview noting the score received on each of the specific factors covered in the interview. Such records will be retained for at least five years.
3. Dissemination of Information:
 - a. Thirty days prior to the beginning of each quarter the sponsor shall establish the number of applicants that will be accepted based upon an evaluation of the labor market needs.
 - b. An application shall be made available to anyone who is interested regardless of any other consideration.

- c. All applications shall be made available at a central point(s) as identified in the public notice.
 - d. Whenever an application is provided to an individual, an electronic or paper record shall be made detailing to whom the application was provided, the manner by which it was provided (US mail, in person, via fax or other electronic means). Such record shall also track the history of the application noting the date the application was provided to the individual, date it was returned to the program sponsor, and final disposition of the application.
 - e. Everyone expressing an interest in being considered for the program shall first be required to complete an application. It must be signed, dated and delivered to the designated central point(s).
 - f. Each applicant shall be provided a copy of the standards to read and an information sheet explaining the basic requirements for entrance into the program including documentation which must be submitted in support of the application.
 - g. The program sponsor shall record when the application was provided, the date returned to the central point (s), date documentation requirements were met (if different) and whether the individual has met the minimum qualifications
 - h. The committee will review all applications and schedule interviews for all individuals that meet the minimum qualifications as established in this standard.
 - i. Individuals that do not provide documentation of meeting the minimum qualifications will be notified that their application has been rejected, including what qualifications were not documented and their appeal rights.
 - j. The committee will invite the number of applicants established in the opening announcement to the orientation (four week training session).
 - k. Applicants not qualifying for or failing to attend and satisfactorily completing the orientation will be notified that their application has been rejected.
 - l. Each rejected applicant will be given an opportunity to participate in a discussion with committee staff to explore methods to improve the applicant's score on future applications.
 - m. During the interview the committee will consider documentation provided by the applicant with their completed application.
 - n. The documentation may include:
 - 1. School transcripts.
 - 2. Post secondary education.
 - 3. Vocational Training.
 - 4. Certificates of completion of any additional training.
 - 5. Letters of recommendation from previous employers.
4. List of Eligible Applicants:
- a. Applicants who have been placed in a pool of eligibles shall be retained on lists of eligibles subject to selection for a period of two years. After the program sponsor has exhausted their list of eligibles, or at any time they wish to re-open the list, they may start a new selection process. If a new list is established, prior to the termination of two years, eligibles on the old list shall be placed on the new list according to their scores without the necessity of reapplying. They shall be retained on this new list for the remainder of their two-year eligibility.
 - b. Applicants may be removed from the list before the expiration of two years by their request or following their failure to respond to an apprentice job opportunity. Such notice of a failure to respond and subsequent removal from the list shall be given the applicant

by certified mail. Applicants shall be afforded a reasonable period of time to respond to an apprentice job consistent with the customs and practices of the industry. All individuals on the pool of eligibles shall be treated equally in determining such period of time. It shall be the responsibility of the applicant to keep the sponsor informed of his/her current mailing address. The program sponsor in conformance with its "initial employment policy" may restore to the list of eligibles those applicants who have petitioned and received a favorable review of their case.

5. Exceptions:

- a. Experienced apprentices who completed their probationary period in this registered program or a similar registered program in another jurisdiction during the previous five years shall be permitted to return to the program, as far as practical, and pick up their training where they left off instead of re-entering as beginning apprentices providing they were not terminated for cause.
- b. Individuals who:
 - establish a minimum of one year valid previous experience or training creditable to the term of apprenticeship and;
 - are being sponsored for apprenticeship by an employer attached to the program sponsor and;
 - meet the minimum entry qualificationsmay at the discretion of the program sponsor; be registered as apprentices.

No employer shall be permitted to exercise this exception more than once in a 12 month period.

- c. If an employer has not participated in the training of an apprentice under ORS 660 for at least two years (24 calendar months) prior to seeking entry or re-entry in to the apprenticeship program, the employer may select as his/her initial apprentices, without going to the pool of eligibles, those bona fide employees who have been on their payroll for at least three months (ninety days-700 hours-) prior to the employer's request for an apprentice and who meet the minimum qualification for entry into the trade or craft. Once the initial selection of apprentices has been made, the employer is thereafter restricted to obtaining apprentices from either the program sponsor's out of work apprentices, or when not available, from the pool of eligibles.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

1: DISSEMINATE INFORMATION

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP

Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.

4: INTERNAL COMMUNICATION

Communicate the equal opportunity policy in a manner to foster understanding, acceptance, and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the committee's affirmative action commitments.

5: OUTREACH

Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

6: ESTABLISH AND USE PRE-APPRENTICESHIP PROGRAMS

Encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship. Make appropriate provision in the affirmative action plan to assure those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.

7: UTILIZE JOURNEY WORKERS IN AFFIRMATIVE ACTION

Include journey level workers in the implementation of the affirmative action plan.

8: GRANT ADVANCED STANDING OR CREDIT EQUALLY FOR ALL APPLICANTS

Grant advanced standing or credit on the basis of previously acquired experience, training skills, or aptitude for all applicants equally.

9: PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that decisions regarding recruitment, selection, employment, and training of apprentices are job-related and without illegal discrimination because of race, color, religion, national origin, disability, age, or sex. The committee will include significant steps to improve retention in this activity.

10: RETENTION STRATEGY

Develop and implement a comprehensive retention strategy.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
 - b. The equal employment opportunity plan has not been followed; or
 - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
2. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.
3. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.
4. For complaints dealing with program operations see section X of this document.

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be **8000** hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the

period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))

2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (the registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))

3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)
